ABOUTS US

BHADRA Group located on India's tech hub, Bengaluru, is a Vision of Mr. Sarveshaa SB and Mr. Suresh NC to deliver world class living Spaces. The company is formed on the belief that only quality output is worthy of investing human efforts. This belief is combined with deep rooted values, robust engineering, transparency and timely delivery to offer happiness to customers. We deliver quality living spaces by optimizing our in-house strengths. The materials from our in-house manufacturing facilities is the key differentiator evident in all of our best properties in Bengaluru. Our directors with vast experience have pursued exacting conformance to Quality in public sector projects and contractual projects. We employ a Talented team of real estate professionals, highly-skilled manpower and Efficient processes, enabling the ingrained culture to deliver iconic living Spaces. In a professional environment supported by ERP, the best human Resource practices, and by adhering to high safety standards, the vision 'To transform the world of construction with quality' is endorsed in every Process of our business endeavor. Deeply rooted with an exceptional business backing, BHADRA GROUP is a vision to redefine living spaces.
